

The Invisible Problem of Under-Placement: “When a student is placed into college-level course and fails there (an over-placement error), the fact that there has been a placement mistake is painfully obvious to all.” But “when a student does well in a remedial course, it is unlikely to be perceived as a problem.” -- Judith Scott-Clayton,

### What % of Incoming Students Are Placed into Transfer-Level English?

At several California Acceleration Project events in spring 2016, we asked colleges to share their Fall 2015 placement data.

**California Acceleration Project**  
 Supporting California's 113 Community Colleges  
 To Transform Remediation to Increase Student Completion and Equity
